Chairman Comments:

Adults and children enjoyed themselves at the Knights of Columbus 2018 Breakfast with Santa. As always Bob Brandt's kitchen staff did great. Bob Messenger, as Santa, will get an extension of his contract and a pay raise for his outstanding performance. Donna and Tonya, Santa's helpers, put

smiles on the children's faces when they handed them a Christmas Stocking. Wayne donated all the items placed in the stockings. Dan and Patrick Pinda did a great job decorating Santa's background area. Kim, Liane, and their helpers, made Santa's Workshop a fun place for the children to visit. The wait time for visit with Santa was reduced do to the new system of giving a number to each child and calling groups of numbers as the line became smaller. Anna, at the front door, was told by several guests, "It was one of the best Breakfasts with Santa ever." It had to do with all those, named above, and those not mentioned that this annual event was a success.
